File No. Museums II/51(R)

Gen. 194 e.

157

Legal Department.

The relevant rule 30 in question is not in operation as yet. But in view of the general power given to Government under section 21 of the Act, Government may call for the general design and specifications of the new structure proposed to be constructed at the cost of considerable sum especially when the authorities have approached Government for sanction.

A draft of rule 4 (based on X to X at pp. 203 to 207-c-s to be incorporated in the revised draft rules (pp. 25 to 37 ante) is prepared and sent herewith.

2. It is proposed to specify the following committees in draft rule 4:-

(i) Executive Committee.

(ii) Consultative Committee, Museum of Agriculture and Forestry.

(iii) Poona Industrial Exhibition, Poona Advisory Committee.

(iv) Consultative Committee for the promotion of invention and industrialisation of Patents and for the establishment of a Museum of patents.

(v) Consultative Committee for the development of Technical Industrical library.

From the functions of the Poona Industrial Exhibition, Poona, Advisory Committee specified at p. 205-c-s, it does not appear that the Poona Industrial Exhibition, Poona, Advisory Committee is a permanent Committee. Under the revised draft rule 5 (p. 27 ante) the Board is given power to appoint from time to time advisory Committees. In pursuance of this power the Board would be competent to appoint the Industrial Exhibition Advisory Committee whenever occasion arises. It is not, therefore, necessary to specify such a committee in draft rule 4.
